Weekend and Short Breaks

Flexible services for people with learning disabilities and autism

We provide opportunities for up to three people to stay together, with 24 hour support, for a weekend or a short break.

All guests can choose their own timetable of activities, create their own menu and have choice in everything they do. Whether it's a busy break full of activity, or just time to relax, a weekend or short break at Glebe Cottage is always enjoyable.

A short break can be a day, two days or even a week.

Weekend Breaks start from Friday 4pm and finish on Sunday at 3pm. If you require a Sunday night, this can be added upon request.

All of our staff members are highly trained. Staff have a support plan for each guest to make their stay as personal as possible.

Examples of activities during Weekend and Short Breaks include:

- Bowling
- Cinema
- Day trips
- Seasonal festivities such as going to see Christmas lights, pantomimes, and Loughborough Fair.
